JUNE 2011

From your Chapter Directors, Rick & Andi Riek

Here we are sitting at my daughter's in Lancaster enjoying the company of our family over the fourth of July holiday weekend and especially our granddaughter, Jillian. We hope everyone of you got to spend some special time with family and friends. I don't know where time is going but it sure is flying by.

The rides and events are going by quick and I have to say so far they all have been a success. The only problem we have is making it to the Friday night dinner rides. There seems to be so much going on that we can't get there to go along.

The chapter is growing as membership is on the rise. The new members are participating in a lot of events. This really makes Andi and I feel like we are doing something right. Thank you to all and we welcome all new members to our chapter. I keep saying we have one special chapter.

We hope that someone steps up to take our place come January and keeps the chapter going. I feel that whoever takes over will do an excellent job and this chapter will continue to be very successful. Andi and I will be a part of this chapter as long as we can.

We have a number of members heading to Wing Ding for the entire show and a few more heading down to Pigeon Forge to do some riding in the area around there, then heading to Wing Ding with a day pass. Hope all have a great and safe trip. We can't wait till they get back and hear all the stories. Where ever this group heads there is always some interesting stories that come home with them.

We really thank all the members that sold the district convention raffle tickets that were given to them. Also, our convention flier ad is complete. Look for it in the district convention flier. The assistant district directors are really happy about all that Chapter T does. They are always saying how whenever something needs done that we are usually the chapter that finishes their assignments first. Mike and Mary Ann did an excellent job and went above and beyond the call for this endeavor. The chapter really thanks them for the effort. Andi and I really appreciate this. It takes some of the load off of us.

Please remember your opinion does matter! Thanks to all the chapter T members. We consider each and every one of you a special friend.
