	<h2>RETRIEVER REPORT</h2> <p><i>4th Marking Period</i></p>	<p><i>Elk Neck Elementary</i> <i>Mr. George Whisner</i> <i>Principal</i> <i>Mrs. Alison Sumner</i> <i>Assistant Principal</i></p>
<p style="text-align: center;">PRINCIPALLY SPEAKING...</p> <p style="text-align: center;"><u>The Importance of Critical Thinking Skills</u></p> <p>Critical thinking enables kids to reason better. It helps them base conclusions on facts rather than emotions. From puzzles to activities that require analytical reasoning, there are a variety of ways to encourage kids to use and develop their problem-solving skills. There are many online resources available to support the development of critical thinking skills. You can also come up with simple activities of your own that can be used at home. Provoking kids to think out of the box and come up with solutions to challenging activities will always have long-term benefits. Here are a few examples:</p> <p>Spot Similarities: Choose two objects in the room that don't appear to have anything in common (a clock and a sneaker). Ask your child to find at least one thing that's similar about them. He/she could say that numbers are printed on both or that each has "body parts" (the clock has a face and hands, the sneaker has a tongue and a heel).</p> <p>Flip a Fairy Tale (or other kind of story): Critical thinkers can look at situations through different lenses. Encourage your child to write a fairy tale from another character's point of view.</p> <p>Be Strategic: Games like checkers, chess, or Connect Four build thinking skills. Play some of these together, and share your thought process: "If I move here, you'll probably move there, and then I could capture your piece." Suggest that your child talk him or herself through their moves, too. Solo games like Sudoku or Rubik's Cube can also make your child a better thinker.</p> <p>No matter the activity that you choose, it should be fun!</p> <p>George Whisner, Principal Elk Neck Elementary School</p>		<p>IMPORTANT DATES TO REMEMBER:</p> <p>Please see page 2 for important dates for the 4th marking period</p>

<h2 style="color: blue;">Running Club</h2>		
 <p style="text-align: center;">Thank you to everyone who supported Jump Rope for Heart. It was a great success!</p>	<p style="text-align: center;">Attention Fourth and Fifth Graders:</p> <p>We are pleased to announce that the Elk Neck Elementary School Running Club for 4th and 5th grade students is here! If you have submitted a permission slip and been told by Mr. Gilbert that you are in the club, then you will meet on Thursday afternoons from 4:00 to 4:40 pm beginning on April 3rd and ending on June 5th. If it is raining at 3:00 pm on a Thursday when Running Club is scheduled, it will be cancelled. Parents/Guardians will be notified by e-mail if running club is cancelled. If you do not have e-mail, you will receive a phone call. Remember to wear comfortable clothes and shoes for running and to bring a water bottle!</p>
